SIFTING THROUGH SPA

IS THE WORD OVERUSED?

THE PERFECT PAIR

Real Music and Numi Tea have partnered to create a product for consumers wanting an at-home spa day: iRELAX. Infused with the ingredients of rhythm, harmony, teas and spices, the gift box contains the finest tastes from around the world. Designed to promote the art of self-healing, the collection guides consumers as they learn when to pause, take a sip of tea and listen to the music. Included in the kit are Numi's black, green, white and herbal blend teas alongside a Real Music CD featuring 11 tracks of worldly songs.
